

Attorney at Law Gerhard RENTSCHLER

Mr. RENTSCHLER is today operating independently as counsellor for various health insurances and is acting Chairman of the Board with BKK MEDICUS. Prior to this, he gained an impressive track record in a number of senior positions within the industry, as he was General Manager of SOFOTEC, an affiliate of ASTA MEDICA AG developing inhalation technology, and Senior Vice President – Human Resources of VIATRIS, a spin-off of ASTA MEDICA AG.

Ahead of these functions, he was Corporate Director – Personnel and Administration of ASTA MEDICA AG, an affiliate of DEGUSSA AG. In this decade he organised, developed and implemented many outstanding personnel and administration programmes that were well regarded in-house and within the pharmaceutical industry. Under his supervision, the entire integration process of the acquired Arzneimittelwerk Dresden (AWD) went both rapidly and smoothly. He organised and supervised several production facilities, and acted as reference person / consultant to the individual Directors of the production sites in Europe and abroad.

Before joining ASTA MEDICA, he was several years Corporate Director Personnel with LEIFHEIT AG including the responsibility for all affiliates and production sites. He started his industrial career as Personnel Manager with ABBOTT Diagnostic Division.

Mr. RENTSCHLER graduated from University of Freiburg as Attorney at Law.
